

Jake Hui Wang

A full-stack web developer with experience building apps and developing websites in JavaScript, React, and Ruby on Rails. I want to utilize my passion to learn and work with the latest technologies to grow as a developer while helping companies advance in the software engineering industry. I also bring strong problem-solving skills that will further a company's effectiveness and efficiency of organizational success.

PROJECTS

NPM simple-react-google-maps — [Github](#) | [Link](#)

Google Maps React.js Component

- Developed an open-source NPM package for React.js applications
- Allow developers to quickly and simply render Google Maps in their projects

Parallel — [Github](#) | [Link](#)

An Airbnb for parking cars full stack web application

- Designed and coded the app's front-end with React, Redux, HTML, and CSS
- Built the back-end with Ruby on Rails and utilize PostgreSQL as database
- Implemented an authentication and authorization system with JWT tokens

EXPERIENCE

Digidems, Virginia Beach, Virginia — *Campaign Tech Specialist*

June 2018 - Dec 2018

- Designed and developed software programs for voter outreach and financial reporting.
- Provided cybersecurity training and integrated best practices into the workflow to minimize the risk of hacking.
- Utilized computer programming, new technologies, and modern software to maximize campaign efficiency.

Heart To Heart Home Care, Brooklyn, New York — *Data Specialist*

Jan 2015 - June 2017

- Increased productivity by creating Microsoft Excel programs to eliminate repetitive tasks.
- Analyzed data and accurately created reports to evaluate the company's performance.
- Processed payroll for thousands of employees and billed multi-million dollars in claims weekly.

J&C Beer Distribution, Elmhurst, New York — *Data Specialist*

Sep 2012 - Jan 2015

- Processed orders, created invoices, and maintained daily records of sales.
- Supervised inventory control, coordinated deliveries, and communicated with suppliers.
- Supported the sales team with pricing and calculated commission for each sales representative.
